Welcome to the 2023 Northampton Day Festival!

We are proud to bring the 24th Annual Northampton Day Festival to our community. Our group is not affiliated with Northampton Township Administration but we could not present our community festival each year without the assistance that the Northampton Township first responders and Public Works employees generously provide to us each year.

Our annual event brings vendors, food trucks, free entertainment and a talent show for those of all ages. This year, our Festival will be on October 1st at the old Richboro Middle school property on Upper Holland Road and we have a few important additions to this year's party:

- The ever-popular medivac helicopter will land on the ballfields at the event.
- The Pennsylvania Mobile Veterans Service Van will be on site to assist our veterans and their families with the many benefits available to them.
- Our first ever "Kids' Marketplace" will be part of the day. These young entrepreneurs are learning how to create, market, sell and account for their businesses just as all businesses do.
- **As parking is at a premium, this year we will be running a shuttle bus on a 15-20 minute interval for those who wish to park at CR South (front lot). This shuttle will operate from 10 am to 4pm and go directly from South to the event and back to the school.**

Over our 24 years, it has been our custom to donate excess funds after each festival to local non-profits and for scholarships for two local high school seniors who have donated their time to either our event or the Northampton Parks and Recreation Department.

As you may be aware, the Township and Miracle League worked together to rebuild the Blue Playground during the past year, making it an all inclusive place where all kids, no matter their ability, can play together in the same space.

In order to increase the comfort for those at the playground it was decided to partially cover the playground with sun-shades. We at the Northampton Day Committee are proud to provide funding in the amount of \$19,000 to offset the cost of the recent installation of the sun-shades.

We are so very grateful to the continuing partnership between the Miracle League and Township for their continuing efforts toward improving the opportunities for our special needs community.

Lastly, we would not be able to bring this festival and all its benefits to the community without our generous sponsors:
